EXPERIENCE

Vetica Group / UI & Brand Designer

Taipei, Taiwan / Jan 2017 - Aug 2017

Redesigned UI for Bionime's Rightest Care, a blood glucose management system that pairs a glucose measuring device with a mobile app. Designed layouts and infographics for the 90 page annual report of Taiwan's largest R&D firm, Industrial Technology Research Institute.

Cardinal Blue Software / Designer & Content Manager

Taipei, Taiwan / Oct 2015 - Jul 2016

Generated the majority of PicCollage app's revenue through design and management of visual content IAPs by evaluating product metrics. Worked in cross-functional team as the UX designer for PicMagic, a facial filter photo app. Collaborated in company hackathons to design and develop new apps.

Chronicle Books / Design Fellow

San Francisco, CA / Jan 2015 - Jul 2015

Converted over 40 titles into ebooks by redesigning print layouts and converting to EPUB and MOBI formats. Performed QA testing on iPad, Kindle, KOBO, and Nook devices. Iterated on ebook layouts for each device using HTML/CSS. Designed and pitched new product prototypes to editors, including an Astrological Calendar and an Origami Cupcake Liner kit.

826 Valencia / Design Intern

San Francisco, CA / Sep 2014 - Dec 2014

Worked with the design director to design the annual appeal campaign, *Coming Soon to the Tenderloin*. Designed the cover for the Fall 2014 Buena Vista Horace Mann Chapbook. Redesigned and developed interactive menus for the 826 Valencia website.
